

Cornwall Works for Learning Disability is a partnership that works with people with learning disabilities to help them to think about what they are good at and what they would like to do in the future.

We offer:

- **Information and support to find out about money and benefits**
- **Individual support to find out what people like to do and are good at**
- **The chance to try new things, like team building and confidence building**
- **Support to make sure any barriers that people face are sorted out**
- **Support to learn skills that can help people get jobs**
- **The chance to try things like work placements and volunteer work**
- **Support for family carers, so they understand what is happening**
- **Job Coaches that will work with people to see what having a job is like and that people are supported well when they try a job**
- **Work with the employers to make sure that they are supported too**
