Safe Place

Created and supported by

www.cornwallpeoplefirst.com

Thank you on behalf of people in Cornwall with a Learning Disability for agreeing to be a 'Safe Place'.

Please display the sticker (shown on the right) on your door or window.

People with Learning Disabilities will find it very helpful to know that if they come here you will do your best to assist them with any problem they have.

This could include people who were being bullied, lost their purse or wallet, missed their bus, or hurt themselves for example.

If someone should enter your premises in distress please:

- Contact their parent/carer/support worker - they should be carrying a card with the appropriate telephone number.
- And/or call the Police on their behalf:

Local Police 08452 777 444
Emergency 999
