

What is a forum rep?

Every forum chooses a rep. The rep goes to the Learning Disability Partnership Board meetings.

At the meetings there are people from the Council, the NHS and from other organisations.

The rep tells people at the meetings what we have talked about at our forums.

This is how we tell people what is important to us so that things can be made better.

What is a forum?

A forum is a group of people.

At a forum we speak out about things that are important to us.

People who speak up are called self advocates.

We talk about important things like:

- Health**
- Transport**
- Relationships**
- Leisure**
- Housing**
- Jobs**

What happens at a forum?

We get together about every three months.

We talk about:

Good things that are happening

Bad things that are happening

Things that need to change

We have a cup of tea or coffee, talk to each other and share our news.

We find out what is happening in our community and in other parts of Cornwall.

Sometimes we invite people to come and talk to us about interesting things.

We have lots of fun together!
